## TCCHS Alumni Association Scholarships Offered Revised and Updated

Below are the applications for the scholarships sponsored by the TCCHS Alumni Association for the 2017-2018 school year. Please note two new scholarships are listed; one of these is the **Sharon Patterson Shemwell Memorial Music/Arts Scholarship**. This scholarship is in the amount of \$500. The other new scholarship listed is the **Carolyn Wells Writing Scholarship**.

This scholarship is in the amount of \$250. Another scholarship, the **Todd County Central High School Alumni Association Memorial Academic or Technical Scholarship**, has been increased from \$1,000 to \$2,000 this year. We have tried to make applying for the scholarships as easy as possible. A student should print **the application/cover sheet form** and fill it out **one time only**. The student then needs to prepare one application that meets the requirements for the scholarships the student wishes to apply for; **the important point** to remember is that some scholarships require more letters of applications than others do. Please note we are offering scholarships in both the **academic area** and the **technical area**. We ask you please share information about these scholarship opportunities with others you know. Once completed, **turn in the application/cover sheet form and a single application** to the guidance counselor at TCCHS. **All applications must be given to the guidance counselor on or before April 15, 2018.**

Below is the checklist form/cover sheet that needs to be completed **one time only**.
