

Todd County High Schools' Hall of Fame

A one-page information sheet to introduce the Hall of Fame

The Todd County High Schools' Hall of Fame has the following charter:

The Todd County High Schools' Hall of Fame has been established to recognize alumni and staff of the Todd County High Schools who have made significant achievements in their chosen fields or professional services and made noteworthy contributions to society on a local, national or international level. The recognition of alumni who have become outstanding citizens will provide current students with positive role models in their own lives.

A committee, made up of former Todd County students and community members, developed the Todd County Hall of Fame. A set of criteria has been set forth to help inform citizens who would like to nominate an individual for induction into the Hall of Fame. A nomination form, along with those criteria, is available. Also, anyone can nominate a person for the Hall.
